

# SPACES OF JOY

Callout for:

**Learning Disabled &**

**Neurodivergent (LD/ND)**

artists creating performance work

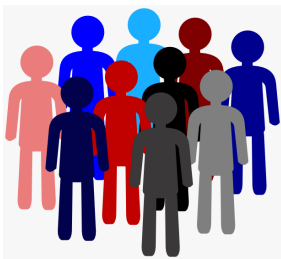

# PROGRAMME OVERVIEW

## What is it?

Spaces of Joy is a nationwide **12-week** pilot programme

## Who's it for?

It's for **12 producers** of contemporary performance

# What's the aim for Producers?

To equip producers with the:

- Knowledge
- Skills
- Resources
- Networks

for working with and being closer to the creative practice of **Learning Disabled and Neurodivergent (LD/ND) artists**

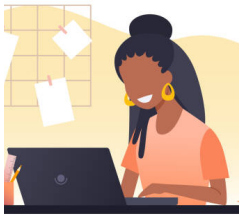

# What's the aim for Artists?

To ensure that more Learning Disabled and Neurodivergent artists are **having their creative work produced.**

# ARTISTS

**The guiding aim of the programme is  
to establish more links between:**

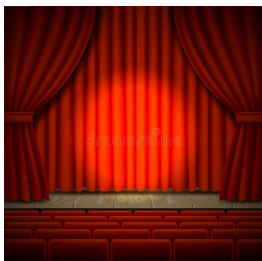

Producers

+

Artists

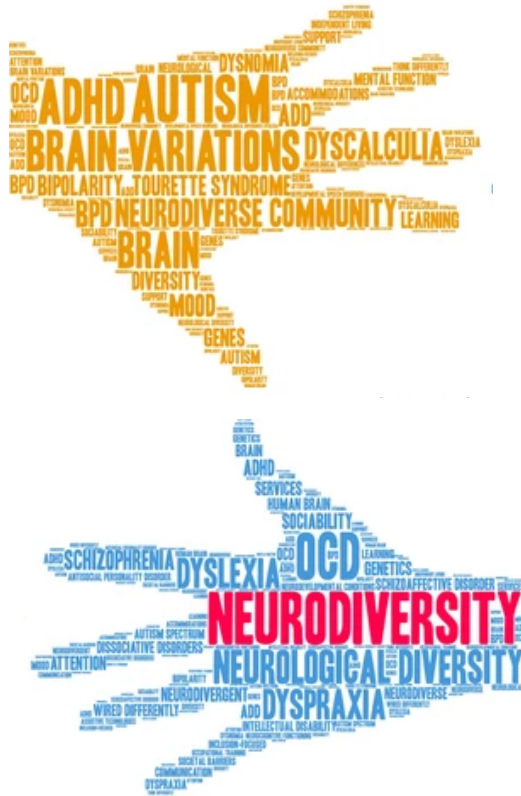

+

Venues

# Artist involvement

As part of our programme, we are **looking for Learning Disabled & Neurodivergent (LD/ND) performers** and performance artists to **work closely with us** to ensure that our programme has LD/ND performers and performance artists at its heart.

# Artist Care

We want to broker fruitful collaborations that are set up with processes of care and access at the forefront.

# Programme legacy

We want to build an artist network of LD/ND artists looking to meet producers and will facilitate meetings, chances to come see your work and invitations to events.

# COULD YOU BE ONE OF OUR ARTISTS?

**Are you interested in:**

- Sharing your experiences with the chosen 12 Spaces of Joy producers

- Attending the producer workshops to help shape their learning

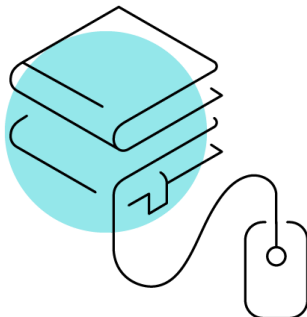

- Being part of a network of other ND/LD artists working nationally

- Getting your work seen by producers who may wish to collaborate with you in the future

- Meeting producers interested in LD/ND led work

- Having access to the resources and materials created on the programme

**If you are interested, please either:**
